- **Linking.** The Information Brochure consists of a catalogue and a price annex. The Programs offered in this Brochure are subject to the provisions of the General Conditions of the Programs of English Summer S.A. for the year 2022. These Terms are incorporated in the application for registration to any of the Programs offered in the Brochure, and where applicable, in the online registration from our website www.englishsummer.com, and in those complementary promotions that are incorporated into the offer of Programs for 2022. This document contains an extract of the General Conditions to be accepted in the registration process.

- **Modifications.** Where modifications to the Programs offered are required, they may be incorporated provided that such changes are communicated in writing to the Participant prior to the date of conclusion of the contract.

- **Responsibility.** The entity responsible for the offer of the Programs is English Summer S.A. with address in Tamarit, Camí del Castell de Tamarit s/n, 43008 Tarragona, with CIF A43091388. Email: info@englishsummer.com.

- **Inscription.** The request for an inscription in any of the Programs offered by English Summer S.A., either personally, or through a third person (delegate, agency, family, friend ...etc), even online, does not imply the acceptance a priori of the enrollment. Place reservations will be understood as pre-registration pending final confirmation. In order for a Participant to be definitively registered, it is necessary that three conditions are met: (1) Have completed and signed the registration form containing the General Registration Conditions, or have accepted them in the online registration, (2) have paid the amount of the reservation, or requested the direct debit, and (3) have received an email with the acceptance of registration

by English Summer S.A. where the place is confirmed. The automatic online response is only a confirmation of the booking process. It is not the definitive registration. The various forms of payment for tuition are indicated in the brochure. The amounts paid into the reserve account already include the initial processing costs. These amounts shall be deducted from the total price of the Programme.

- **Feasibility.** All the Programs offered will be conditioned to have a minimum number of fifteen (15) people required for the effective realization of these. The maximum number of places offered will be subject to availability in each of the Programs. These will be confirmed individually.

- **Cancellation conditions.** These are included in the booking process (on the application form or on the website).
