Enjoy the camp and sleep at home!

This program is indicated for students/ students who live near our centers. Students attend English classes and participate in leisure and sports activities until 20h, without the need for accommodation.

- During the weekend there are NO English lessons. In its place there are sports activities, excursions, etc. On Sunday morning they attend mass voluntarily and in the afternoon there are recreational activities.
- The PortAventura World tour and other optional activities are NOT included in the course price.
- On the last day of camp there will be no English lessons, there will be activities.

Meals

Students/s have included a piece of fruit in the middle of the morning, lunch and snack. On the first day of the course a copy of the menu that you will have during your stay will be delivered so that you can combine it with dinner at home.

Personal clothing and utensils

The external/as students will have a space to leave their belongings during the stay in the center: towel, flip flops, cap, sun cream, bath gel, shampoo, etc. We recommend that every day they bring a change of clothes.

Relation to the/monitor/a

Parents / guardians should always notify the monitor/children when they arrive and when they leave the camp or a member of the management team. If one day the student is unable to attend school for any reason, they must always notify their monitor/monitor for safety and organizational reasons. In case the student is medicating, you must bring the medication to have it in nursing and make it in the medical record. In case you need anything special (costumes, camp T-shirt, team T-shirt or others), your monitor/monitor will inform you the day before so you can bring it the next morning.

EXTRA SERVICES

- * **Dinner and party** for those students who want to attend, may do so by communicating the day before the monitor/ a and with an additional cost of 15€.
